Notes to Catalogue 113

This month. I am presenting a new style of catalogue. After all the spending excesses of the Christmas season, the last thing you need is a catalogue full of expensive rarities. So, here is a list of 300 books, giving only title and author. There are no pictures, no online listings, no shopping cart system or other automated luxuries. But the result is these books can be offered at very low cost.

As most of you know, many books can now be found at low cost at various online book sites, but in almost every case, shipping is \$4.00-\$5.00 or more per book. The books on this list and the quantity prices include

FREE SHIPPING IN USA

So compared to buying books one at a time elsewhere, it is like getting the books for free here.

The quantity discount schedule is as follows:

Type of book	1-4 books	5-19 books	20 or more
Hardcover	\$10.00	\$7.00	\$5.00
Trade paperback	\$5.00	\$4.00	\$3.00
Normal paperback	\$2.00	\$1.50	\$1.00

The different categories can be combined for quantity discount. So an order for 10 hardbacks, 8 trade paperbacks, and 2 paperbacks qualifies for the **20+ price** on all of them. There are no descriptions of condition on these books. If I have multiple copies, the earliest order gets the best copy.

Please note that many of these books, especially the ones with chapters on Churchill or political biographies of his colleagues, are from the Wybrow collection, and are lovely copies, often with dustwrappers.

1. Orders can be placed by phone, email, or post. Email and phone are best as they still get through even if I am away. We will be in London 7-15 February.
2. The easiest is to simply send a list by number of all the books you would like. It will take me a little while to go through the stock and verify which are still available.
3. Payment can be by check in US\$'s, Sterling cheque, or by Visa or Mastercard. For credit card orders, please provide card number, expiry date, and the 3 digit security code found on the back by the signature.

The next catalogue will be new acquisitions.
