Notes to Catalogue 150

For the past 25 years, I have endeavored to be a full service Churchill supplier, offering everything from LP records to jigsaw puzzles, including low price books about Churchill. As you know there are lots of dealers out there offering the high priced first editions, but little else. My inventory of books about Churchill has become too large, occupying more than 100 feet of shelving, many double banked. I have decided to reduce this` dramatically, so am offering nearly everything at bargain prices. Here is a list of over 200 books, giving only title and author. There are no pictures, no online listings, no condition details, no shopping cart system or other automated luxuries. But the result is these books can be offered at very low cost. Condition varies. Many have dustjackets, many do not, a few are ex-library. I have not done a catalogue like this in nearly 3 years, and am keeping the pricing from 2011 despite 4 increases in postal rates since then.

As most of you know, many books can now be found at low cost at Amazon and the like, but in almost every case, shipping is \$4.00-\$5.00 or more per book. The books on this list and the quantity prices include

FREE SHIPPING IN USA

So compared to buying books one at a time elsewhere, it is like getting the books for free here.

The quantity discount schedule is as follows:

Type of book	1-4 books	5-19 books	20 or more
Hardcover	\$10.00	\$7.00	\$5.00
Trade paper- tiny HC	\$5.00	\$4.00	\$3.00
small paperback	\$2.00	\$1.50	\$1.00

The different categories can be combined for quantity discount. So an order for 10 hardbacks, 8 trade paperbacks, and 2 paperbacks qualifies for the **20+ price** on all of them. There are no descriptions of condition on these books. If I have multiple copies, the earliest order gets the best copy. There is also a selection of scarce and/or very heavy books that are a flat \$10.00 each for any quantity (nos. 200-219)

This catalogue is part one and includes book through 1969. Part two will come later and list books from 1970-present. This will be at least 200 more books

1. Orders can be placed by phone, or email. Email is best as I then have a written record of your requests.
2. The easiest is to simply send a list by number of all the books you would like. It will take me a little while to go through the stock and verify which are still available.
3. Payment can be by check in US\$, Sterling cheque, Paypal, or by Visa or Mastercard. For credit card orders, please provide card number, expiry date, and the 3 digit security code found on the back by the signature.
